2B CONTINUED, a local 501c3 nonprofit organization, strives to increase awareness of suicide prevention, mental health, and wellness through advocacy, education, and outreach. Its primary service area includes the counties of Brown, Carver, McLeod, Meeker, Nicollet, Renville, Sibley, and Wright.

The money raised is used for education, outreach, and events in local communities to help carry out the mission. In 2025, more than 62,000 people were reached by 2B CONTINUED's programming. Some were reached through the educational offerings of Question, Persuade, Refer (QPR, the mental health version of CPR), SafeTALK for Ag trainings, Mental Health First Aid courses, and at the Continuing Education Conference for Professionals. Others were reached through community outreach activities like yard signs with encouraging messages, community celebration parades, county fair booths and Suicide Loss Support group. Regardless of the platform, messages of "You are not alone", "You matter", "Mental Health IS Health", "There is Hope" and "Together we can make a difference" are touching lives and helping to provide connections and resources for mental health and wellness where they are most needed.

The Dancing Like the Stars Show is the primary funding source for the teen Mental Health First Aid program. In the '25-'26 school year, 2B CONTINUED certified instructors are teaching the Teen Mental Health First Aid (tMHFA) curriculum to 74 class sections of high schoolers in 22 area school districts: Buffalo Lake-Hector-Stewart, BOLD, Central (NYA), Eden Valley Watkins, Gibbon-Fairfax-Winthrop, Glencoe-Silver Lake, Hutchinson, Howard Lake-Waverly-Winsted, Lester Prairie, LeSueur-Henderson, Maple Lake, Mayer Lutheran, New Ulm Cathedral, Nicollet, Renville County West, St. Peter, Sibley East, Sleepy Eye, Springfield, Waconia, Waconia Learning Center and Watertown-Mayer. Each school has between 1-10 class sections. The program is valued at \$2,500/section for up to 30 students. The program is offered without charge to schools, removing any financial barrier to participation. The response from schools and participants to this training has been overwhelmingly positive.

2B CONTINUED, the dancers and choreographers work extremely hard to put on an engaging and memorable show while raising funds needed to provide these important education and community outreach activities. DLTS is an exceptional production that supports a local organization doing critical work in local communities.

Couples are strategically selected by 2B CONTINUED's Executive Director, Tammy Diehn, with the assistance of the Board of Directors. They seek couples who support its mission and are willing to represent the organization; are from a variety of communities, age groups, occupations, employers, social circles, interests, and backgrounds; with little to no dancing experience; at least 21 years old; and are not a first-degree relative of a board member, employee, or spouse/SO.

Watch for another press release in March with more event details. For more information, contact 2B CONTINUED at [info@2bcontinued.org](mailto:info@2bcontinued.org) or (320) 854-HOPE (4673).
